EXECUTIVE SUMMARY

This letter serves as our formal response to representment regarding the fraudulent chargeback claim filed for payment transaction pay_test_dispute_001.

The customer claims that this transaction was unauthorized/fraudulent. However, compelling evidence from our e-commerce platform (**Shopify**) and logistics provider (**Delhivery**) demonstrates that the order was legitimately placed by **Rahul Sharma**, successfully fulfilled, and physically delivered and signed for by **Rahul S.** at the designated delivery address.

We request an immediate dismissal of this chargeback and a full reversal of funds.
